ABOUT US

Company History

JET STAR DELIVERY SERVICES W.L.L. was founded in Qatar with a clear vision to transform last-mile delivery through reliability, speed, and technology. Starting with a small team of passionate professionals and a few delivery bikes, we quickly earned the trust of restaurants and businesses across Doha. Through strategic partnerships, investment in technology, and a customer-first approach, we have grown into a trusted logistics partner supporting leading food delivery and e-commerce platforms. Today, our strong network, modern fleet, and dedicated workforce enable us to deliver excellence every day and contribute to Qatar's growing economy.

Core Values

Our core values define who we are and how we operate. We uphold professionalism in every interaction, ensure reliability through consistent service, deliver with speed, maintain a strong focus on our customers, and operate with integrity in all our actions.

Customer Commitment

We are committed to providing exceptional delivery experiences through dedicated support, real-time communication, and on-time delivery. Our team works around the clock to ensure smooth operations, quick response to concerns, and tailored solutions that help our partners grow.

Mission & Vision

Mission

To be the leading last-mile logistics partner in Qatar, delivering excellence through innovation, reliability, and customer satisfaction.

Vision

To transform delivery experiences and empower businesses across the region through smart, sustainable, and efficient logistics solutions.
